2021 ESG Data Supplement

2021 ESG Data Supplement

At Power Corporation, we are committed to continuously enhancing our Environmental, Social and Governance (ESG) reporting.

This document provides quantitative information on our ESG achievements, and is intended to supplement the information available on our [Sustainability website](#).

For more information on our sustainability approach and achievements, as well as to view how our reporting has evolved over the years, please visit our [Sustainability website](#).

For questions related to the content of this document or Power Corporation's sustainability approach, please contact us at sustainability@powercorp.com.

Reporting Scope

The content of this ESG data supplement has been informed by stakeholder requests, as well as international standards on ESG reporting, including the Global Reporting Initiative (GRI) Standards, Sustainability Accounting Standards Board (SASB), the World Economic Forum (WEF) "Measuring Stakeholder Capitalism: Towards Common Metrics and Consistent Reporting of Sustainable Value Creation", and the Task Force on Climate-related Financial Disclosures (TCFD) Recommendations. The data is reported annually, for the calendar years ended December 31, unless otherwise indicated.

Environment: Our environmental data includes the data of our publicly traded operating companies Great-West Lifeco and IGM Financial, as well as that of our wholly owned subsidiary Square Victoria Real Estate.

Social: Power Corporation's employee data is consolidated based on the definition of financial control and therefore includes the data of our publicly traded operating companies Great-West Lifeco and IGM Financial, as well as the data of the Corporation's wholly owned or controlled subsidiaries.

Governance: Our governance data pertains to Power Corporation.

Abbreviations

The following abbreviations are used throughout this document: C\$ (Canadian dollars); ESG (Environment, Social, Governance); Great-West Lifeco (Great-West Lifeco Inc.); GHG (greenhouse gas); IGM Financial (IGM Financial Inc.); MWh (megawatt hours); Power Corporation or the Corporation (Power Corporation of Canada); Power Financial (Power Financial Corporation); tCO₂e (metric tonnes of CO₂ equivalent).

External Assessment

We are committed to ensuring the quality and integrity of the data we report. To date, our environmental data related to GHG emissions have been verified by PricewaterhouseCoopers (PwC) to a limited level of assurance in accordance with the International Standard on Assurance Engagements 3410, Assurance Engagements on Greenhouse Gas Statements (ISAE 3410).

Additional Information Sources

For additional information, readers are referred to our [Sustainability website](#) where we publicly disclose our sustainability policies, commitments and initiatives. The Sustainability website also provides examples of how our responsible management philosophy is implemented within our business and throughout the Power Corporation group of companies.

We provide information on our ESG progress to a number of stakeholders and participate in the annual CDP Climate Change program, supporting the organization's endeavours to increase transparency and disclosure on climate change. Our CDP submission is available on the [Climate Change](#) page of our Sustainability website.

The [Governance](#) section of our corporate website also contains detailed information on our corporate governance practices.

As signatory to the United Nations Global Compact (UNGC), we submit a [Communication on Progress](#) annually as part of our commitment of support to the UNGC's ten universal principles on human rights, labour, environment and anti-corruption.

Footnotes/Methodology

- a. All Board Composition data is as of the dates of the annual meeting in the respective years, except for the Average Board and Committee Meeting Attendance Rates which are as of December 31.
- b. The Corporation believes that continuity of membership is critical to its Board's efficient operation and accordingly has not adopted policies imposing an arbitrary term or retirement age limit for its Directors. Such limits fail to take into account the special characteristics of issuers such as Power Corporation and its group companies, which operate in a highly complex and technical environment. In such a context, the Corporation believes that a lengthy Board tenure, not limited by arbitrary determinations, is vital to the Directors' understanding of the Corporation's diverse businesses and those of its group companies, and to their bringing a substantive contribution to the Board.
- c. As at December 31, 2021, there were three women sitting on the Corporation's Board of Directors, representing 21% of the Board members. On May 12, 2022, subsequent to year-end, four women were elected to the Board at the 2022 Annual Meeting of Shareholders, bringing the percentage of women on the Board to 29%. Within the meaning of the Canadian Securities Administrators (CSA) Guidelines and *National Instrument 52-110 – Audit Committees* and *National Instrument 58-101 – Disclosure of Corporate Governance Practices* (the instruments) and in the Board's view, the following eleven Directors (constituting more than 75% of the Board), namely Pierre Beaudoin, Marcel R. Coutu, Gary A. Doer, Anthony R. Graham, Sharon MacLeod, Paula Madoff, Isabelle Marcoux, Christian Noyer, T. Timothy Ryan, Jr., Siim A. Vanaselja and Elizabeth D. Wilson, are independent and have no other relationships that could reasonably interfere with the exercise of their independent judgment in discharging their duties to the Corporation.
- Paul Desmarais, Jr., Chairman, and André Desmarais, Deputy Chairman, being former executive officers of the Corporation within the past three years, are not independent. R. Jeffrey Orr, President and CEO, being an executive officer of the Corporation, is not independent.

For more information on our definition of independence, please refer to the [Independence of Directors](#) section of the Corporate Governance page of our corporate website.

- d. Following the retirement of Paul Desmarais, Jr. and André Desmarais from their executive roles as Co-Chief Executive Officers of the Corporation on February 13, 2020, the Governance and Nominating Committee is now entirely composed of Directors who are not members of management of the Corporation.
- e. Represents mandates on public company boards outside Power Corporation and its subsidiaries (including Great-West Lifeco and IGM Financial).
- f. We communicate our anti-corruption commitments through our [Code of Business Conduct and Ethics](#). We also provide formal training on our [Anti-Bribery Policy Statement](#) and supporting [Global Policy](#). To maintain awareness, we send our personnel periodic reminders of their duties and responsibilities under the policy. We also require all our Directors, officers and employees to certify their compliance with the policy at least annually by attesting their compliance with our Code of Business Conduct and Ethics.
- g. The Auditor's fees are disclosed in the Corporation's Annual Information Form available in the [Investors - Shareholder Reports](#) section of our corporate website. The Auditor's fees exclude fees paid by Power Financial, Great-West Lifeco, IGM Financial and certain other subsidiary entities.
